

Intercede for the Muslim World!

The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth (Jn 1:14).

Today's Prayer Requests: *From Students, Alumni, and Missionaries*

THE GAMBIA: Over the past few years we have prayed for a Bible school that has been established in this Muslim-majority nation. The school has grown, new pastors are being trained, and students are opening new works. Now new initiatives are being launched. Please pray

- for the opening of a worship center in conjunction with the Bible school, and that this center would be a base from which other churches are planted.
- for the establishment of a ministry farm in another part of the country, beginning next month. The land will also house a Bible school extension, small clinic, and a church to serve the local people.
- “specifically that God will raise up Gambian church planters.”
- “for protection, strength, and Holy Spirit empowerment of the evangelism teams.”

GHANA: A student serving as a missionary and church-planter here asks for prayer concerning challenges he and his teams face. Please pray:

- “for favor with Muslim chiefs, especially when they have to decide whether a church gets land to build or not. We started a church in...a community inhabited by Muslims. It has been difficult to get a piece of land to purchase to erect a place of worship. It seems they have decided not to sell their lands to Christians.” ***Pray for a miracle of provision of land for this new work.***
- “that inhabitants of the community will open up to the gospel message.” Many attend the evangelistic outreaches, he says, “but they are not allowed to come for church services or Bible studies. However, in some places they come for prayers.” ***Pray that the Lord would work miracles in the lives of those who come for prayer, and soften the hearts of those who seek to prevent seekers from learning more about Jesus.***
- for God’s protection as the teams go into areas where there are threats of terrorist attacks and where armed robbery is common.

TOGO: This Saturday, December 14, Wycliffe-Togo will officially launch the New Testament in Kotokoli, the language of a Muslim tribe. Pray for those attending the dedication service, as Kotokoli believers invite others. Pray that as a result many Kotokoli would explore the New Testament in their own language, and that the Word would do its redemptive work in their spirits!
